ADAPTABLE TO VARIOUS YARNS AND HOOK SIZES –
PLAY AND HAVE FUN. BASIC STITCHES – DOUBLE
CROCHET AND V-STITCH

SIMPLE CROCHET SCARF

BY BARBARA SUMMERS

<http://www.crocnit.com>

This simple crochet scarf is made with a beautiful light weight variegated yarn with deep blue shades.

This pattern is written using a 4ply yarn and a 3.5mm hook.

However, you can use this pattern to make a simple scarf using whatever yarn you wish, all you need do is adjust the number of stitches at the beginning, and then continue until your work measures the length of scarf desired.

Similar to my other patterns have a play and have fun with it. Once you get the hang of this simple pattern you can make a variety of scarves with different yarns and various hook sizes. For more ideas to play with, see [MYO](#) Make Your Own on my website.

Before you begin:

- *read* through the pattern to the end
- *select* yarn and hook size
- *decide* on the width of the scarf
- *calculate* how many stitches you will need to match the width

Special Note: If you are going to use a different yarn weight and hook size you will need to calculate how many stitches you will need to achieve your desired scarf width.

This pattern uses a V-stitch - to calculate how many total stitches you will need - the pattern formula equates to multiples of 3 stitches and then add 6 stitches e.g. 30 stitches (equals 10 V-sts) then add 6 stitches.

V-Stitch = 1dc, 1ch, 1dc in same ch or sp.

In Row 1, V-st will be worked in the same chain. In Rows 2 onwards, the V-st will be worked in the same space.

Please Note: This is one variation of the V-stitch; you may encounter other patterns that define a V-stitch differently.

Hint: Whenever I crochet the first row of any straight edge garment I always like to use a hook one size large than what I will be using for the rest of the piece. This way my starting ch row has the same flexibility as my ending row.

HERE'S THE PATTERN:

Abbreviations:

Ch = chain, dc = double crochet; V-st = (1dc, 1ch, 1dc) in same ch or sp; st/s = stitch/es; sp = space; ss = slip stitch.

Row 1:

Ch 48 sts; into 6th ch from hook *V-st [1dc, 1ch, 1dc] into same ch, skip 2 ch, repeat from * to end; 1dc into last ch, turn.

Row 2:

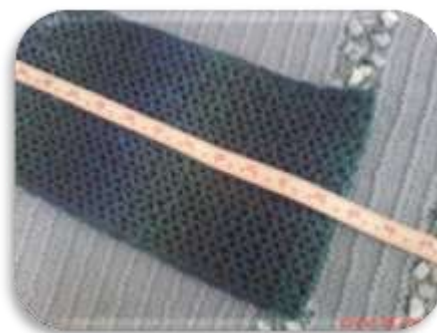

Ch3, *V-st into 1ch sp from previous row, repeat from * to end, 1dc into top of ch3, turn.

Row 3-onwards:

Ch3, *V-st into 1ch sp from previous row, repeat from * to end, 1dc into top of ch3, turn.

Continue in this manner until work measures 85" long (or desired length).

Finish, hide ends.

You can embellish your scarf with whatever you wish - buttons, crochet flowers, stars, or hearts, whatever? It's all up to you and your creative imagination!

Original Design by Barbara Summers. For your personal use only. You can make and gift the finished product. YOU CANNOT SELL THE FINISHED PRODUCT.
